PROMOTION SPECIFICS

1. This promotion is available to new BellSouth IWAN Frame Solution business customers who meet all the eligibility requirements outlined in this promotion description.
2. To qualify for and participate in this promotion, customers must sign a BellSouth IWAN Frame Solution contract (term agreement) by June 30, 2006.
3. Customers must subscribe to BellSouth IWAN Frame Solution to obtain the bundle of services at the promotion price.
4. Rates which apply for a BellSouth IWAN Frame Solution bundle are based upon both the service configuration (speed) and contract term (either twenty-four to thirty-six months or thirty-seven to sixty months) that the subscriber selects.
5. This promotion provides discounted regulated and non-regulated services within the BellSouth IWAN Frame Solution bundle for a single monthly rate and nonrecurring installation charge. The monthly rates and nonrecurring charges for each BellSouth IWAN Frame Solution bundle are as set forth following:

BellSouth IWAN Frame Solution <u>Bundle Speed</u>	Nonrecurring <u>Charge</u>	24 – 36 Month, <u>Monthly Rate</u>	37 – 60 Month, <u>Monthly Rate</u>

Note 1: Nonregulated Services

RESTRICTIONS/ELIGIBILITY REQUIREMENTS

1. Unless otherwise specified, no product or service (or combination of products or services) included in a BellSouth IWAN Frame Solution bundle is eligible for any other promotion, program or Contract Service Arrangement offered by BellSouth.
2. All term election agreements must be signed by June 30, 2006.
3. When a tariffed service purchased under a term contract is disconnected prior to the expiration date as a result of a subscriber's purchase of BellSouth IWAN Frame Solution service, termination liability charges for the existing service will not apply when:
 - a. The contract period of the new BellSouth IWAN Frame Solution service equals or is greater than the remaining term of the subscriber's existing contract, and
 - b. The rates paid by the subscriber for BellSouth IWAN Frame Solution service are equal to or greater than the rates paid by the subscriber for its existing service, and
 - c. The service orders to install the new BellSouth IWAN Frame Solution service and disconnect the subscriber's existing service are related together and there is no lapse in service between disconnection of the existing service and installation of the new service, and
 - d. BellSouth IWAN Frame Solution service is purchased for the same subscriber location.
4. Moves inside the same building and moves to a different building will incur an additional nonrecurring charge of five hundred seventy-five dollars (\$575.00).
5. A subscriber with BellSouth IWAN Frame Solution Subrate T1 service may request to change to a different speed of BellSouth IWAN Frame Solution Subrate T1 service or to BellSouth IWAN Frame Solution T1 service. Such a change will incur the Frame Relay Subrate T1 Speed Change Charge specified in Section A40.1 of BellSouth's tariff.
6. A subscriber request to change an existing BellSouth IWAN Frame Solution DS0 service to either a BellSouth IWAN Frame Solution Subrate T1 or BellSouth IWAN Frame Solution T1 service will incur an additional nonrecurring charge of six hundred fifty dollars (\$650.00).
7. Other optional Frame Relay service features (e.g., CIR, Additional DLCIs, Priority DLCIs, Intelligent PVC capability, MultiCast PVC capability, etc.) desired by the subscriber to work with the Frame Relay service included in the BellSouth IWAN Frame Solution bundle may be purchased at the standard rates and charges from Section A40.1 of BellSouth's tariff.
8. This promotion is only available to subscribers where BellSouth offers service and where facilities are available.
9. Existing contracts may not be renegotiated in order to receive this promotion unless otherwise specified.
10. BellSouth reserves the right to modify this promotion at any time following any required Commission notice, if applicable. Notice of such changes to participants will be included in standard promotion communications, including but not limited to letters, emails, or faxes.
11. BellSouth reserves the right to terminate this promotion at any time following any required Commission notice, if applicable.
12. In the event the subscriber terminates the term election agreement, the subscriber must pay to BellSouth a charge for ninety percent (90%) of the number of months remaining on such agreed upon term. This termination charge will appear on the subscriber's final bill as a charge in the Other Charges & Credit section. Payment of the termination charge does not release the Subscriber from other previous amounts owed to BellSouth.
13. This promotion is not available for resale (except where may be mandated otherwise by a state Commission). Each regulated service contained within this bundle is available individually for resale at the tariff rate less the appropriate resale discount.
