Executive Summary

Introduction

This tariff filing reduces the per use rate for Three-Way Calling and Call Return.

Revenue Information

The following rate change for Non-Basic Services – Residential and Business Optional Services produce no incremental revenue change for this category:

| | Present | Proposed |
|-----------------------------|---------|----------|
| Three-Way Calling, per use | \$.95 | \$.90 |
| Call Return, per activation | \$.95 | \$.90 |

Rationale for Change

The Tariff rate for these features was increased from \$.90 to \$.95 on August 1, 2003, but this increase was never implemented. This filing changes the Tariff to reflect the rate that is currently used for billing.

Customer Effects

Existing customers will not be impacted by this change.
