

Florida Public Service Commission

SPECIAL REPORT

FEBRUARY / MARCH 2007

Application for a Rate Case in Marion County by **Utilities, Inc. of Florida**

DOCKET NO. 060253-WS

On October 2, 2006, Utilities, Inc. of Florida (UIF or utility) filed an application for an increase in its water and wastewater rates with the Florida Public Service Commission (PSC or Commission). UIF provides water and wastewater service to 22 systems in Marion, Orange, Pasco, Pinellas, and Seminole counties. UIF's last rate case was in 2002.

As part of the process of evaluating UIF's rate request, the Commission staff has scheduled three customer service meetings to allow customers the opportunity to provide input into the rate setting process. Customer comments, written and oral, are an integral part of the process and assist the Commissioners in reaching their decision. This Special Report provides information about UIF's proposed rates and also provides information on how customers can provide input concerning this matter.

UIF plans to make major pro forma plant additions that include making electrical improvements, coating hydrotanks, and constructing interconnects. According to its application, the utility is requesting rates which would allow the recovery of expenses and generate a fair rate of return on its investment.

The utility requested a \$1,209,429 total increase in revenue, representing average increases of 47.06% for water revenues and 44.64% for wastewater revenues. For a portion of the company's service area, not including Marion county, the Commission approved a total interim revenue increase of \$631,896, which represents a 24.04% increase for water and a 24.19% increase for wastewater. When the final rates are established, customers may see a refund if the final revenue requirement is less than the approved interim amount.

In its filing, the utility is using a historical test year ending December 31, 2005. The "test year" is a 12-month period used in ratemaking proceedings to compute current levels of investment and income in order to determine the amount of revenue that will be required to allow the utility the opportunity to earn a fair return on its investment. The PSC staff analysis may result in recommending adjustments to test year data to properly reflect conditions in the future period for which the rates are being set.

The utility's records have been audited by Commission staff for compliance with applicable rules and orders. In addition, a Commission staff engineer has conducted a field investigation of the utility's plant and service area. In accordance with Florida Statutes, the Commission will consider the utility's quality of service and other matters in this case.

The current rate case is being processed under the Commission's "Proposed Agency Action" (PAA) procedure. Under the PAA process, the case will not be set for a formal hearing unless a timely protest to the Commission's proposed agency action is filed.

The Commission staff is scheduled to file a recommendation with the Commission on April 12, 2007. The Commissioners are expected to vote on this matter at the April 24, 2007 Agenda Conference.

CHAIRMAN
Lisa Polak Edgar

COMMISSIONER
Katrina J. McMurrian

Vacant

Lisa Polak Edgar was appointed to the Florida Public Service Commission by Governor Jeb Bush for a four-year term beginning January 2005; she assumed the chairmanship at the PSC in January 2006. Chairman Edgar is a member of the National Association of Regulatory Utility Commissioners telecommunications committee and was appointed by the Federal Communications Commission to the Universal Service Joint Board for a three-year term beginning November 2005. Prior to her appointment, Chairman Edgar served as Deputy Secretary for Planning and Management for the Florida Department of Environmental Protection (DEP) from August 1999 through January 2005. Her responsibilities at DEP included oversight of the agency's \$2.1 billion budget, fiscal and strategic planning, accountability measures, information technology, administrative services, and coordination between the state and federal government on environmental issues, including oil and gas drilling on the Outer Continental Shelf. Prior to serving at DEP, Chairman Edgar was chief analyst on Environmental Policy for the Office of Policy and Budget, Executive Office of the Governor. Chairman Edgar was appointed by the Secretary of the U.S. Department of Interior to represent the State of Florida on the Minerals Management Service Outer Continental Shelf (OCS) Policy Committee from 1993-2004. She served on the Subcommittees on Environmental Studies in OCS Areas under Moratoria and OCS Hard Minerals. During her career in public service, Chairman Edgar has also served as senior cabinet aide in the Department of Agriculture and Consumer Services, as staff counsel and legislative analyst for the Florida Senate Committees on Reapportionment and Regulated Industries, completed the Harvard Kennedy School of Government program for Senior Executives in State and Local Government, and co-taught a special topics graduate course on the Everglades at Florida A&M University. She is a member of Leadership Florida, Class XXIV. Chairman Edgar graduated cum laude from Florida State University in 1985 with a Bachelor's degree in political science and minor in English. She studied in London during her undergraduate education and in Yugoslavia during law school. She received a juris doctorate from the Florida State University College of Law in 1988 and is a member of the Florida Bar.

Commissioner Matthew Mark Carter II was appointed to the Florida Public Service Commission by Governor Jeb Bush for a four-year term beginning January 2006. Currently, he serves on the National Association of Regulatory Utility Commissioners Committee on Water, the Committee on International Relations, and the Ad Hoc Committee on Critical Infrastructure. Commissioner Carter is the son of the late Rev. Matthew and Pearl Carter. He was born in Douglas, Georgia and educated in the public schools there. He graduated from Atkinson County High School (in Pearson). After graduation from high school, he volunteered for the United States Army. In the Army, he served in the Presidential Honor Guard in Washington, D.C. and the First Armored Division in Germany. After being honorably discharged from the Army, Commissioner Carter attended Tallahassee Community College where he graduated with honors. He then attended Florida State University and graduated with a Bachelor's of Science in Mass Communications and was commissioned a Second Lieutenant in the United States Army Reserve and later the Florida National Guard. After a tour of duty with the 124th Infantry in the Panama Canal Zone, Commissioner Carter returned to Tallahassee where he set up a public relations firm concentrating on political campaigns for over ten years. Afterward, he entered into the financial investment industry and worked as a financial consultant for Waddell & Reed, Florida Professional Services Group, and Merrill Lynch. Commissioner Carter left Merrill Lynch to complete law school at the Florida State University College of Law. After graduation, he became a member of the Florida Bar and a Minister of the Gospel of Jesus Christ. As an attorney, he specialized in business law. He also served as a communications consultant and senior manager for private industry and governmental agencies. Commissioner Carter obtained a Master's degree in Theological Science from Smith Chapel Bible College and was awarded an honorary Doctor of Divinity degree from the St. Thomas Christian College. Commissioner Carter is currently pastor of the Beulah Hill Missionary Baptist Church in Gretna, Florida, where he also serves as President of the Congress of Christian Education (Union Baptist Association) and Vice Moderator for the Gadsden County Baptist Association. He has also written the book *The 90% Rule – How to Get Out of Debt and Prosper and Why It's Important*. Commissioner Carter is married to the former Rita Taylor (of Enigma, Georgia) and they have two beautiful daughters: Pearl and Markesha.

Katrina J. McMurrian was appointed to the Florida Public Service Commission by Governor Jeb Bush for a four-year term beginning January 2006. Commissioner McMurrian serves on the National Association of Regulatory Utility Commissioners (NARUC) Committee on Consumer Affairs, the Subcommittee on Nuclear Issues – Waste Disposal, the Subcommittee on Education and Research, and the Task Force on Net Neutrality, as well as the Executive Committee of the Nuclear Waste Strategy Coalition. Participation in these committees affords Commissioner McMurrian the opportunity to engage in national policy issues that impact each of the industries regulated by the Commission, the state economy, and millions of Florida consumers. In the eleven years prior to appointment, Commissioner McMurrian developed extensive experience in regulatory policy issues involving energy, water, and telecommunications. From 2001 to 2005, Commissioner McMurrian served consecutive terms as Chief Advisor to Commissioners Palecki and Davidson, advising them on all Commission proceedings and policy matters. Prior to becoming a Chief Advisor, Commissioner McMurrian managed the State Liaison Section of the Commission's Division of Policy Analysis & Intergovernmental Liaison. Here, she consulted with state and local government agencies on issues such as "black water," reuse, universal service, and electric reliability. Before leading the State Liaison Section, Commissioner McMurrian served as the Commission's primary liaison on all nuclear energy matters for over three years. Additionally, she was instrumental in drafting the Commission's positions on electric industry restructuring. In recognition of her work on federal energy policy, Commissioner McMurrian was a recipient of the PSC Extraordinary Accomplishment Award in 1999 and the PSC Outstanding Achievement Award in 1997. A Northwest Florida native, Commissioner McMurrian received a Bachelor's degree in finance from Florida State University in 1994 and an MBA from FSU in 1998.

Consumer Statements at PSC Meetings

The Commission is interested in what consumers have to say about the application for a rate case in Marion county by Utilities, Inc. of Florida. The main purpose of these meetings is to receive comments from the public.

Anyone may make a statement, and speaking is an effective way to let the Commission know how you feel about the case under review. At the beginning of the meetings, procedures will be set up to establish an order for comments. PSC staff will have sign-up sheets that will be used to call consumers to speak. PSC staff will also be available to coordinate consumer comments and assist members of the public.

Any person who wishes to comment or provide information to the PSC staff regarding this matter may do so at the meeting, orally or in writing. Written comments also may be mailed to: Florida Public Service Commission, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, or faxed to 1-800-511-0809. Correspondence will be placed in the file of this docket (Docket No. 060253-WS). For your convenience, a comment form is attached to this Special Report.

Any person who wishes to obtain a copy of the Commission staff's recommendation or the Commission's order in this case may do so by writing to: Florida Public Service Commission, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, or by going on-line at www.floridapsc.com.
