Section A2

1st Revised Sheet 70

This filing is being submitted to assist customers directly impacted by Hurricane Charley. Residential customers required to temporarily relocate to a new location during the repair or reconstruction of their existing premises due to damages caused by Hurricane Charley are entitled to a waiver of the monthly recurring charges for single path Remote Call Forwarding. If the customer chooses to use Remote Call Forwarding to forward to a destination that creates toll, toll charge will apply. These waivers of monthly recurring charges will be available for up to a twelve month period.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,
