RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc, General Exchange Tariff. This filing is submitted with a proposed effective date of June 12, 2006. The Company's tariffs are available on its website at www.embarq.com/tariffs.

Section A 27	Contents Fourth Revised Sheet 1	Section A 27	Seventh Revised Sheet 10
	Second Revised Sheet 8	Cont'd	Fifth Revised Sheet 11
	Second Revised Sheet 9		Original Sheet 12
	Original Sheet 9.1		

This filing introduces a Solutions Business Package, Complete Business Bundle, and introduces a term discount plan for certain Solutions Business Packages.

Additionally, this filing proposes to increase the number of Solutions packages that can be ordered from a single business customer's location from four to nine and eliminates the Voicemail purchase requirement for certain packages. Also, for certain packages which previously required subscription to an unlimited long distance plan, this filing allows subscription to any Embarq Communications, Inc. long distance plan.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews

3. Term Discount Plan

a. General

- 4) Customers must subscribe to a two-year TDP commitment period to receive the discount. At the end of the TDP commitment period the customer may renew the TDP for another two-year TDP commitment period. If the customer does not specify renewal terms in writing 90 days prior to the expiration of the TDP, the commitment period and the discount in effect at the time of expiration will automatically be extended for 12 months. The customer can terminate service at the end of the commitment period with no penalty or obligation to continue the service.
- 5) Rate increases or decreases will automatically be applied to the monthly term plan rates for the remaining term of the TDP. If a Company initiated rate increase causes the services under the TDP to increase by 10% or more annually, then the customer may cancel the TDP without incurring termination liability charges provided the customer notifies the Company within 30 days after the effective date of the rate increase.

b. Termination Liability Charges

- 1) If a TDP customer disconnects any or all of the business packages subscribed to under the TDP, a termination liability charge will apply for the lines that are disconnected.
