N11 SERVICES

F. 811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS (Cont'd)

6. Rates and Charges (Cont'd)

d. When translating the seven or ten digit number to the 811 abbreviated dialing code, applicable Service Ordering Charges as specified in Section 4 of this Tariff will apply as follows, in addition to the rates listed in Section F.6.f. below.

e. The minimum service period for 811 Service is one month.

f. Rates:

| | Nonrecurring <u>Charge</u> | |
|---|-------------------------------|-----|
| Central Office Charge ⁽¹⁾ | \$ 250.00 | (D) |
| Exclusion Charge ⁽²⁾ (per Exchange) | 325.00 | |
| Number Change Charge | 50.00 | (D) |

g. 811 Service will not be available for sale until January 2007.

⁽¹⁾ This is applied at the host central office only, and covers all offices that are part of that host complex with a single translated number. If more than one translated number is desired, apply the charge as many times as there are numbers. Any given office must have one number translated to – this cost does not cover cases where the Local Agency wants two or more translated numbers. Such a case would require class marking or a database.

⁽²⁾ This is applied at the host office only, and could cover any number of offices that would not have access to the 811 Service.
