3. Term Discount Plan

- a. Connection Central Bundle is available under a Term Discount Plan (TDP) for term commitments of one or two years. At the end of the TDP commitment period the customer may renew the TDP for another one or two year TDP commitment period. If the customer does not specify renewal terms in writing 90 days prior to the expiration of the TDP, the commitment period and the discount in effect at the time of expiration will automatically be extended for 12 months. The customer can terminate service at the end of the commitment period with no penalty or obligation to continue the service.
- b. Rate increases or decreases will automatically be applied to the monthly term commitment rates for the remaining term of the TDP. If a Company initiated rate increase causes the services under the TDP to increase by 10% or more annually, then the customer may cancel the TDP without incurring termination liability charges provided the customer notifies the Company within 30 days after the effective date of the rate increase.
- c. If customers disconnect one or both of the access lines associated with Connection Central Bundle prior to the expiration of the TDP, a termination liability charge will apply for the disconnected line(s). - d. If a customer retains the access line(s) associated with Connection Central Bundle, but discontinues any or all of the associated features and services, no termination liability charges will apply. However, all discounts for which the customer was eligible under this TDP will cease as of the date the service(s) and/or feature(s) are discontinued, and the monthly rate for the access lines(s) will default to the applicable tariffed monthly rates.
