For the purpose of this sub-section A13.CC. concerning the EMBARQ Business Rewards Program, the term "Embarq" refers to Embarq Florida, Inc. and all Embarq Local Operating Company affiliates. The term "Company" refers solely to Embarq Florida, Inc.

EMBARQ Business Rewards Program ("Program") is an Embarq business customer loyalty program. The program allows customers who meet certain criteria set by the Company to earn Rewards Dollars that can be redeemed for various travel and entertainment products/services or other non-telecommunications/non-regulated products and services. Available Rewards options may change at the discretion of the Company and are provided for customer redemption on an availability basis. The Company does not guarantee availability of any option. In order to redeem Rewards Dollars, program participants must be current on payment of all their Embarq account(s).

All business customers who subscribe to services provided by the Company under this tariff and/or to **Embarq wireless service, Embarq Communications, Inc. long distance service, and/or** Embarq High-Speed Internet (each an "Eligible Service") are eligible for enrollment in the Program. There is no charge to enroll and no term or volume commitment associated with the Program. Customers may terminate their participation in the Program at any time by notifying the Company. Eligible customers may activate their enrollment in the Program by calling an Embarq business office or in response to targeted Embarq contacts with eligible customers. (C)

Customers enrolled in the Program will receive one Rewards Dollar for each dollar of Qualifying Usage (as defined below) the customer spends on Eligible Services. Qualifying Usage is calculated based upon the sum of the customer's **monthly charges (including monthly recurring charges and associated usage)** for Eligible **Services, less** any applicable discounts, taxes, surcharges, FCC charges, 911 charges, or nonrecurring charges. Nonrecurring charges include service connection charges and installation charges. Rewards Dollars will accrue monthly based on the customer's Qualifying Usage. Qualifying Usage only may accrue after the customer enrolls in the Program. To earn Rewards Dollars, the enrolled customer must have an active account and that account must be in good standing, as determined by Embarq. Rewards Dollars have no direct monetary value, have no cash surrender value, and are only good towards redemption of the various products/services provided by Embarq. (C)

In addition to the standard Rewards Dollars earned as outlined in this tariff, participants may, from time to time, be awarded additional Rewards Dollars (including bonus rewards) based upon specific purchases or actions. Consistent with applicable Commission requirements, a separate promotional filing will be made with respect to any such rewards that are based upon the purchase of regulated products or services or subscription to other tariffed offers.
