RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of May 1, 2007. The Company's tariffs are available on its website at www.embarq.com/tariffs.

Section A2	Sixth Revised Sheet 70
Section A4	Fourth Revised Sheet 5
Section A27	First Revised Sheet 17

This filing eliminates the application of Service Charges when new or additional Connection Central Bundle lines are installed.

This filing also cancels an existing promotion that waives applicable Service Charges when customers subscribe to Connection Central Bundle lines.

In addition, the Service Charges section of this tariff previously included a partial listing of services for which Service Charges do not apply. That statement is deleted under this filing, since explicit statement is included in the regulations governing each service, when Service Charges do not apply. This revision does not impact customers or the circumstances under which Service Charges are applied.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Tamela Kelly at 850-599-1029.

Sincerely,

Mary L. Matthews

SERVICE CHARGES

C. REGULATIONS (Cont'd)

2. Service charges do not apply for:
 - a. The substitution of the name of another member of the family for that already listed in the directory, nor for correction in the addresses in the directory.
 - b. Telephone Service previously provided over a Government system where there is no break in the continuity of service.
 - c. Company-initiated directory listings or changes in class or grade of service.
 - d. Upgrades or downgrades to or from flat rate service to measured rate service.

3. When service is re-established at a location which has been destroyed by fire, flood, or wind, or made untenable by fire, flood, or wind, service connection charges do not apply when the service is re-established within a reasonable time. If the subscriber desires service at a new location for a temporary period, the service connection charge will apply covering the establishment of service at the temporary location, but no service connection charge will apply when service is re-established at the former location. If the subscriber desires service established at a new and permanent location, then the service connection charge will apply. Changes in a location of existing access line terminations to points outside the premises occupied by the subscriber are considered as new service connections at the new location.
