Executive Summary

Introduction

This tariff filing changes AT&T Florida's per use charge for BusyConnect® from \$1.25 to \$2.00. This change was implemented on June 1, 2008 in error, and this tariff corrects that oversight. AT&T Florida is providing a credit to customers that have used BusyConnect® between June 1 and the date this tariff becomes effective.

Revenue Information

The revenue associated with this increase was included in the June 1, 2008 priceout for AT&T Florida's per use vertical increase filing. Therefore, the impact for this filing is none as it relates to the price cap basket.
