51. AT&T INTRASTATE INBOUND 1-800-YELLOWPAGES SERVICE

51.1 General

Intrastate Inbound 1-800-YellowPages Service is a telecommunications service provided to businesses that advertise on AT&T's 1-800-YellowPages free directory assistance service. Intrastate Inbound 1-800-YellowPages permits inward 800 number calling from stations within the state and connects callers at their request to the telephone number of the requested directory assistance business listing.

Intrastate Inbound 1-800-YellowPages Service is offered only in conjunction with AT&T 1-800-YellowPages, which is an Advertiser-paid service offered by AT&T that provides free nationwide access to directory assistance listings to callers. Businesses enter into a contract with AT&T to play ads for their products and services when callers place calls to 1-800-YellowPages for directory assistance listings and then routes callers at their request to the telephone number of the requested business listing. The ads are played after a call to 1-800-YellowPages, and before callers are given the requested business number.

51.2 Rates and Charges

The charge for Intrastate Inbound 1-800-YellowPages service is as specified in the Price List. AT&T will enter into a separate agreement with the advertiser for the billing and collection of the charge.
