EXECUTIVE SUMMARY

Description of Proposed Tariff

This General Subscriber Service Tariff (GSST) filing provides for a maximum time period within which a BellSouth Primary Rate ISDN move under an existing contract must be completed. This time period will be specific to BellSouth Primary Rate ISDN moves.

The move from the original location to the new location and the subsequent disconnection of the original location must be completed within ninety (90) days of the new location install date or prior to expiration of the current contract term, whichever occurs first. Termination Liability Charges will apply if the move is not completed within the specified ninety (90) day period.

The proposed effective date of this filing is July 15, 2011.

A42.3 BellSouth Primary Rate ISDN (Cont'd)

A42.3.4 Rates and Charges (Cont'd)

F. Move Charge

1. An inside move charge, applies for each BellSouth Primary Rate ISDN Access Line moved to a new location in the same building. The inside move charge is equal to the sum of the Service Change Charge and the Premises Visit Charge. (E)
2. An interbuilding same premises or off premises move charge, per BellSouth Primary Rate ISDN Access Line, applies for each BellSouth Primary Rate ISDN Access arrangement moved to a different building on the same premises or to a different premises in Company territory within the same state. (E)
3. If the serving central office does not change, this move charge is equal to the sum of the nonrecurring charges applicable for installation of a BellSouth Primary Rate ISDN Access Line. Other charges, e.g., Interoffice Channel Charges, may apply as appropriate. (E)
4. If the serving central office does change, the move will be treated as a disconnect and reconnect with full nonrecurring charges applicable for the BellSouth Primary Rate ISDN arrangement. If a customer is moving service to a new Serving Wire Center that is in the same Toll Message Rate Center as the customer's current Serving Wire Center then the customer may retain the same telephone numbers at the new location at no additional charge. Other local switched service types may be installed at the old location. In the event the customer requests a subsequent move to yet another central office, BellSouth will determine the feasibility of allowing the customer to retain their phone numbers on a case by case basis. (E)
5. The move from the original location to the new location, and subsequent disconnection of the original location must be completed within ninety (90) days of the new location install date, or prior to expiration of the current contract term, whichever occurs first. (S)
- ~~5.~~ 6. Termination Liability Charges will not apply for moves of BellSouth Primary Rate ISDN if the conditions stated in B2.4.9.A.11 of the Private Line Services Tariff are met. However, Termination Liability Charges will apply if the move is not completed within ninety (90) days as stated in A42.3.4.F.5. (FC)
