GENERAL REGULATIONS

J. SPECIAL PROMOTIONS (Cont'd)

Unlimited Business Assist Advantage Plan NRC Waiver and 1/2/3 Month Free Offer

During the period October 19, 2012 through January 31, 2013, new business customers who subscribe to Unlimited Business Assist Advantage Plan may be eligible for a waiver of the nonrecurring charges otherwise applicable for installation of that service and a credit(s) of the monthly recurring charges. To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must not have had service disconnected with the Company for non-payment in the past, must not have any past due bills for services owed to the Company, and must have a satisfactory credit rating.

Nonrecurring charges otherwise applicable for installation of a new service will be waived when eligible customers subscribe to Unlimited Business Assist Advantage Plan under a one, two or three year term commitment. Additionally, customers subscribing under a one-year term will receive a credit for their first month's charge. Customers subscribing under a two-year term will receive a credit for the monthly recurring charge on their first and second months' invoices, and three-year term customers will receive a credit for the monthly charges on their first, second and third months' invoices. The initial bill credit will be reflected on the customer's first invoice issued following installation of the service. Credit amounts will not be applied for taxes and surcharges or for other services to which the customer subscribes.

If a customer discontinues service prior to the end of required service period, credits issued under this promotion will be rescinded. This promotion does not apply to moves, changes, or additions to an existing customer's service and may not be combined with any other promotion.

NRC Add A Line Promotion

During the period October 19, 2012 through January 31, 2013, business Core Connect customers may be eligible for a waiver of all nonrecurring charges (excluding charges applicable for inside wiring, construction, or CPE installation) that are otherwise applicable when they order additional Core Connect packages.

To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to an additional Core Connect package under a term discount plan. The additional line(s), up to a maximum of nine, may be at the same or different locations but must be billed under the same account. This promotional offer may not be combined with other discounts unless otherwise specified.
