GENERAL REGULATIONS

1. ESTABLISHMENT OF SERVICE

A. General

The general terms and conditions of this Tariff apply to local voice services and facilities furnished by Quincy Telephone Company, hereinafter referred to as the Telephone Company or Company, or in part by other companies. Failure to observe these terms and conditions could result in discontinuance of service.

B. Applications

- 1) Requests for telephone service and facilities made verbally, in writing, or electronically will become contracts upon the establishment of the service or facilities.
- 2) An application shall be deemed to be a notice to the Company that the applicant desires service and an expression of a willingness to conform to the terms and conditions set forth in this Tariff.
- 3) The Company reserves the right to refuse service to an applicant or customer who has not paid for prior telephone service rendered by a telephone company in the same or different location, and furnished to the same person, member of the same household, or legal entity until satisfactory arrangements have been made for payment of the indebtedness.
- 4) The Company reserves the right to refuse to furnish or continue to furnish service when service is applied for in the name of another person or legal entity, or a fictitious name of other member of the same household, for the purpose of avoiding payment of or for illegal purposes.
- 5) The Company does not take deposits or advanced payments unless stated elsewhere in this tariff.
- 6) Any change in the service terms, conditions, offerings, and/or rates modifies the terms of contracts to the extent of such change.
- 7) Although, in general, business rates apply at business locations and residence rates apply at residence locations, the determination as to whether customer service should be classified as business or residence is based on the character of use to be made of the service.
- 8) Where special conditions or special requirements of the customer involve unusual construction or installation costs, the customer may be required to pay a reasonable portion of such costs as stated elsewhere in this Tariff. See Charges Applicable under Special Conditions/Construction Charges.
