**3. CARRIER COMMON LINE SERVICE**

**3.1 General**

Carrier Common Line charges are applicable in conjunction with Switched Access Service provided in Section 4 of this tariff. The Telephone Company will provide Carrier Common Line Service to ICs or End Users of FCO/ONAL Service or End Users of Feature Group B Services.

**3.2 Description of Carrier Common Line Access Service**

**3.2.1 Description**

Carrier Common Line charges compensate the Telephone Company for the use of Telephone Company provided common lines by customers for access to end users in furnishing Intrastate Communications.

**3.2.2 Limitations**

(A) Exclusions

Neither a telephone number nor detail billing are provided with Carrier Common Line access. Additionally, directory listings and intercept arrangements are not included in the rates and charges for Carrier Common Line access. (C)

(B) WATS/WATS-type Access Lines<sup>1</sup> - Grandfathered

Where Switched Access Services are connected with Dedicated Access Services at Telephone Company designated WATS Serving Offices for the provision of WATS/WATS-type Services, Switched Access Service minutes which are carried on that end of the service (i.e., originating minutes for outward WATS/WATS-type services and terminating minutes for inward WATS/WATS-type services) shall not be assessed Carrier Common Line per minute charges.

**3.3 Obligations of the Customer**

**3.3.1 Switched Access Service Requirement**

Switched Access Service associated with the Carrier Common Line charges shall be ordered by the customer under other sections of this tariff.

**3.3.2 Supervision**

The customer facilities at the premises of the ordering customer shall provide the necessary on-hook and off-hook supervision.

**3.4 Rate Regulations**

**3.4.1 Description and Application of Rates**

(A) Billing of Charges

Carrier Common Line charges will be billed to each Switched Access Service provided under this tariff in accordance with the regulations as set forth in (D) following, except as set forth in (C) following and 3.4.3(D).
