Mr. Cayce Hinton
Director, Division of Industry Development & Market
Florida Public Service Commission
Tallahassee, Florida 32399-0805

Dear Mr. Hinton:

Attached for filing, please find the following revised pages for the Bellsouth Telecommunications service Tariff.

Access Services Tariff

E 3 Fourteenth Revised Page 11
E 6 Fifth Revised Page 7
E 6 First Revised page 10.1
E 6 Fourth Revised Page 11

Attached are tariff revisions to restructure Originating Access and reduce rates. Per FCC Order FC-20-143, the FCC mandated carriers to 1) separate Originating Access into 8YY and non-8YY elements, and 2) reduce intrastate rates to be in parity with interstate rates to minimize arbitrage and fraud, as addressed in the Order. Over a three year period (2021-2023), the Originating Access rates will be phasedown to bill-and-keep. This tariff has an issue date of June 30, 2021 and an effective date of July 1, 2021.

Acknowledgement, date of receipt and authority number of this filing are requested. Your consideration and approval will be appreciated.

If you have additional questions, please contact me at (850) 577-5503.

Sincerely,

MaryRose Sirianni

Manager – External Affairs
