PROPOSED AGENCY ACTIONORDER GRANTING REQUEST TO CANCEL CERTIFICATE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Western Union Corporation, holder of Interexchange Certificate No. 1741, has informed this Commission that they are not in operation and have not provided service for six months. Furthermore, they have no desire to provide interexchange telephone service in the future. We, therefore, find that its Certificate, No. 1741, and its related tariff should be cancelled as provided by Chapter 25-24.474, FAC, which provides that the Commission may on its own motion cancel a company's certificate for failure to provide service for a period of six months. Western Union Corporation has alleged and it appears to this Commission that Western Union Corporation's customer base has been purchased by Telecom USA and Western Union has discontinued operation. Therefore, the noticing prerequisite and treatment of customer deposits which normally apply prior to granting a certificate cancellation shall not apply in this case. Cancellation of the certificate will in no way affect the company's obligation to pay any outstanding regulatory assessment fees to this Commission.
