DOCKET NO. 910086-EG
Filed: January 25, 1991

**WEST FLORIDA NATURAL GAS COMPANY'S
PETITION FOR APPROVAL OF MODIFIED CONSERVATION PLAN**

West Florida Natural Gas Company ("WFNG"), pursuant to Sections 366.80 - 366.85, Florida Statutes and Commission Order No. 22176, requests of the Florida Public Service Commission ("Commission") approval to continue its Energy Conservation and Promotional Program with certain modifications, and authority to recover the costs of those programs in the conservation cost recovery clause. In support of this petition, WFNG states:

1. The complete name and address of the Petitioner is:

West Florida Natural Gas Company
Caller Box 1480
Panama City, Florida 32402

2. All notices, pleadings, orders, and other documents should be provided to the individuals listed below:

FILE-RECORDS/REPORTING

4. The Company's annual therm sales are below the statutory threshold for mandatory application of the Florida Energy Efficiency in Conservation Act, Section 388.82, Florida Statutes. However, by Order Number 13783, this Commission approved conservation programs submitted by the Company (formerly known as Gulf Natural Gas Corporation) on a voluntary basis and authorized recovery of costs through the conservation cost recovery clause. In re Petition of Gulf Natural Gas Corporation for Approval of Conservation Program, Docket No. 840344-EG (October 19, 1984).

5. The modified Conservation Plan as submitted contains calculations demonstrating the cost effectiveness of each program for both the State of Florida and the ratepayers of West Florida Natural Gas Company.

6. The modified Conservation Plan as submitted will effectively assist efforts to meet statewide conservation goals of this Commission.

WHEREFORE, West Florida Natural Gas Company respectfully petitions the Commission for approval of a modified Conservation Plan and approval for the Company to recover those costs associated with the plan through the conservation cost recovery clause.

Respectfully submitted,

PATTI SMITH, CPA
