Notice and Public Information

The utility shall comply with the requirements of Rule 25-22.0406, Florida Administrative Code.

The notice required by Rule 25-22.0406(5), Florida Administrative Code, shall also include a statement that any customer comments regarding the utility's service or the proposed rate increase should be addressed to the Director, Division of Records and Reporting, Florida Public Service Commission, 101 East Gaines Street, Tallahassee, Florida 32399-0870, and that such comments should identify the docket number assigned to this proceeding.

In addition to the requirements of Rule 25-22.0406(6), Florida Administrative Code, the utility shall give written notice of the date, time, location, and purpose of the hearing to each of its customers no less than fourteen days prior to the first day of the hearing. The utility shall utilize first class mail for notices sent to customers with out of town mailing addresses.

Prefiled Testimony and Exhibits

Pursuant to Rule 25-22.048, Florida Administrative Code, each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 1/2 inch x 11 inch transcript-quality paper, double-spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding.

Each exhibit which is intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, and identified by his or her initials and a consecutive number, beginning with 1. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

the close of business (4:45 p.m.) on the date due. A copy of all prefiled testimony and exhibits shall be mailed to all other parties and Staff no later than the date filed with the Commission.

Prehearing Statements

Pursuant to Rule 25-22.038(3), Florida Administrative Code, a prehearing statement shall be required of all parties in this docket. Staff will also file a Prehearing Statement. A copy of the prehearing statement shall be mailed to all other parties and Staff no later than the date that it is filed with the Commission. The failure of a party to timely file a prehearing statement shall constitute a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position. Such prehearing statements shall set forth the following information in the sequence listed below.

- (a) the name and address of all known witnesses that may be called by the party, and the subject matter of their testimony;
- (b) a description of all known exhibits that may be sponsored by the party, their contents, whether they may be identified on a composite basis, and the witness sponsoring each;

(i) a statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefore.

Prehearing Conference

A prehearing conference will be held in this docket at the Fletcher Building, 101 East Gaines Street, Tallahassee, Florida. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, shall be observed. Any party who fails to attend the prehearing conference, unless excused by the Prehearing Officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. Any party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the Prehearing Officer. If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue.

When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.
