~~Re: Docket No. 910231-SU;~~ Request for exemption from Florida Public Service Commission Regulation for a Sewage Treatment and Disposal System in Monroe County by Overseas Trailer Park.

Dear Mr. Vanyo:

According to the discussion between Ms. Nayola Frazier, Legal Trainee with the Commission and Ms. Peggy Vanyo of Overseas Trailer Park, you do not plan to proceed with the wastewater exemption, because the system may not be built. Please, submit within 15 days a request to withdraw the wastewater exemption (Docket No. 910231-SU), so we may close our records. This of course does not affect the water exemption request. Since the wastewater system is presently on septic tanks, you do not need a wastewater exemption. Should you decide to proceed to build a wastewater treatment and disposal system in the future, you may request an exemption at that time.

If you have any questions, please call.

Sincerely,

Richard Redemann
