RE: DOCKET NO. 910923-WS - Notice of intention to implement the 1991 Price Index Rate Adjustment pursuant to Section 367.081(14)(a), F.S. by the CITY OF KISSIMMEE as Receiver for KINGS POINT UTILITIES, INC. in Osceola County.

Issue 1: Recommendation that the price index rate adjustment application by the City of Kissimmee on behalf of Kings Point Utilities should not be acknowledged. The application does not meet the filing requirements set out in Rule 25-30.420, F.A.C., as currently filed. Due to the unique circumstances in this case only, staff would accept an annual report which contained, at a minimum, an operating statement, water operation and maintenance expense and water customers, sewer operation and maintenance expense and sewer customers, and certification of annual report. Once an annual report has been filed which contains this information, the index application could be processed administratively.

Moot due to decision in dkt. no. 910813WS exempting this system from regulation.

Issue 2: Recommendation that this docket be closed.
