

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for Determination ) DOCKET NO. 910863-EI  
of Need for a Proposed Electrical )  
Power Plant and Related Facilities ) ORDER NO. 25224-A  
in Polk County by Tampa Electric )  
Company. ) ISSUED: 10/23/91

AMENDATORY ORDER

On October 8, 1991 and October 11, 1991, the Commission received petitions from the Florida Industrial Cogeneration Association (FICA) and Ark Energy, Incorporated (Ark) to intervene in this need determination proceeding. FICA also filed a Motion to Extend the Time for Filing Intervenor Testimony and a Motion Regarding Discovery that contains a three part request for changes to the Commission's usual discovery timetables and procedures. Ark has also filed a Motion for Extension of Time to File Direct Testimony. FICA requested expedited treatment of the outstanding petitions and motions. To accommodate the request for expedited treatment of these matters, Order No. 25224 was issued on October 16, 1991 which included the prehearing officer's decision on all outstanding procedural motions in the case.

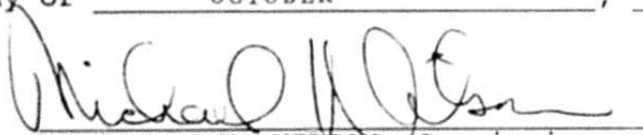

It has come to our attention that Order No. 25224 contained typographical errors in the revised dates for filing intervenor testimony and rebuttal testimony, and in the date for the prehearing conference. This amendatory order will correct those errors.

Therefore, it is

ORDERED that the date for filing staff and intervenor testimony is October 31, 1991, and the date for filing company rebuttal testimony is November 20, 1991, which is also the date of the prehearing conference in this case. It is further

ORDERED that Order No. 25224-A remains in effect in all other respects.

By ORDER of Commissioner Michael McK. Wilson, as Prehearing Officer, this 23rd day of OCTOBER, 1991.

  
MICHAEL MCK. WILSON, Commissioner  
and Prehearing Officer
