Re: Docket No. 910660-SU

Dear Mr. Duren:

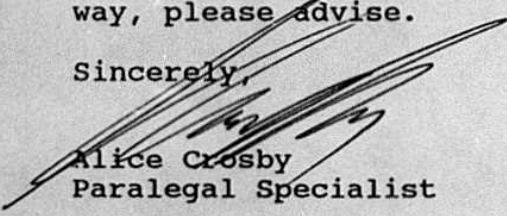

In accordance with our telephone conversation of this date, please provide an affidavit that the notice of application was sent to interested parties within four miles of the territory requested. A list of the parties noticed and a copy of the notice provided should accompany the affidavit.

Also, this is to confirm that in order to comply with Rule 25-30.036, Florida Administrative Code, you must provide a recorded warranty deed in the name of the Utility (Gulf Aire Properties, Inc. d/b/a Gulf Aire Waste Water Treatment Plant). The warranty deed, which was submitted with the application, is in the name of Gulf Aire Properties, Inc.

So that there will not be a delay in processing your application, please provide the warranty deed as soon as possible. If the warranty deed is not provided prior to the Commission Staff making its recommendation to the Commission for a decision, the Staff will recommend that the amendment be granted and that you be ordered to provide the warranty deed within 30 days of the date of the Order issued in this Docket.

If you have any questions or if we can be of service to you in any way, please advise.

Sincerely,

Alice Crosby
