NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

BSN Telecom Company (BSN or the Company) filed an application for an interexchange certificate on August 28, 1991. The application contained the required background information and the Company's proposed tariff. After having considered the application, it appears that the Company is technically capable of providing service and its tariff filing is appropriate. Therefore, we find that it is in the public interest to grant a certificate to BSN, and it is our intention to grant the certificate.

Interexchange carriers (IXCs) are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without express prior approval from the Commission. The Company has agreed to comply with applicable Commission rules and orders.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of BSN Telecom Company for a certificate to provide intrastate interexchange telecommunications service is granted as set forth in the body of this Order. It is further
