ORDER INDICATING NONJURISDICTIONAL STATUS
OF DUPONT HIGHLAND PLANT AND CLOSING DOCKET

BY THE COMMISSION:

On September 2, 1992, DuPont Highland Plant (DuPont), located in Bradford County, filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The water system is located at County Road 125, East of Highway 301 in Lawtey, Bradford County, Florida. Mr. David E. Wright, Environmental Coordinator, filed the application on behalf of DuPont.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, water is provided only to DuPont, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Wright acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, DuPont will not be providing water service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owners of DuPont or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, DuPont Highland Plant, Post Office Box 753, Starke, Florida 32091, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owners of the DuPont Highland Plant or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate DuPont Highland Plant's nonjurisdictional status. It is further

ORDERED that Docket No. 920889-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 4th day of November, 1992.
