In re: Comprehensive Review of)

Company (Formerly FPSC Docket)
Number 880069-TL))

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION

COMES NOW BellSouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company"), pursuant to Rule 25-22.006, Florida Administrative Division Code, and files its Request for Confidential Classification for the Company's Supplemental Response to Item No. 371 of Staff's Thirteenth Set of Interrogatories dated November 4, 1992.

1. Southern Bell is filing its Request for Confidential Classification for its Supplemental Response to Interrogatory Item No. 371 because the response contains certain information pertaining to competitive intraLATA toll services.

2. Southern Bell has appended to this Request for Confidential Classification as Attachment A a listing showing the location in the Interrogatory responses of the information designated by Southern Bell as confidential.

3. Appended hereto in an envelope designated as Attachment B are two edited copies of the Interrogatory responses with the confidential information deleted.

4. Attached as Attachment C is a sealed envelope containing copies of the Interrogatory responses with the material which is confidential and proprietary highlighted. Copies of Attachment C are not being served on the other parties in this proceeding.

14755 DEC 21 1992

FPSC-RECORDS/REPORTING

5. Regarding Southern Bell's Supplemental Response to Interrogatory Item No. 371, this response is entitled to proprietary confidential classification because it contains the numerical distribution of Southern Bell's intraLATA toll messages by mileage band, broken down by business, residence, public and "other" categories. This information discloses usage patterns for certain classes of Southern Bell customers and shows the representative mileage for intraLATA calls made by these customers. The intraLATA toll market is a competitive arena. Competitors could use this information to selectively target their marketing strategies and pricing to appeal to key customer bases, thereby depriving Southern Bell of similar business opportunities. Thus, the disclosure of this competitive toll market information would impair Southern Bell's ability to compete in the intraLATA toll market. Section 364.183(e), Florida Statutes, expressly considers as proprietary confidential business information any information relating to competitive interests, the disclosure of which would impair the competitive business of the provider. The information contained in Southern Bell's Supplemental Response to Interrogatory Item No. 371, as more specifically described above, meets the statutory criteria, and should therefore be afforded confidential classification.

6. Southern Bell has treated and intends to continue to treat the material for which confidential classification is sought as private, and this information has not been generally disclosed.

WHEREFORE, based on the foregoing, Southern Bell moves the Prehearing Officer to enter an order declaring the information

described above and contained in the indicated portions of the attachments to be confidential proprietary business information, and thus not subject to public disclosure.

Respectfully submitted this 21st day of December, 1992.
