Mr. Norwood Hope Turkey Creek Utilities 158 Turkey Creek Alachua, FL 32615

Re: Docket No. Application for certificates to provide water and wastewater service in Alachua County under grandfather rights by Turkey Creek, Inc. and Family Diner, Inc. d/b/a Turkey Creek Utilities

Dear Mr. Hope:

This letter is in response to your letter of April 2, 1993, regarding the utility fire protection rate. This issue will be addressed in a recommendation we plan to take to the Commission on May 4, 1993. The recommendation will be filed on April 22, 1993 and a copy will be forwarded to you. Regarding the correct procedure for filing for a rate increase, please refer to Part V of Chapter 25-30, Florida Administrative Code, which staff sent you previously. As you are aware, you may not increase the rate without prior approval from the Commission.

ACK	If you have any questions regarding rate increases, please contact Greg Shafer or Neil Bethea in the Bureau of Special Assistance.
