Re: Docket No. [REDACTED], Petition of Intermedia  
Communications of Florida, Inc. for Expanded  
Interconnection for AAVs within LEC Central  
Offices.

Dear Tracy:

In accordance with our discussions at the Prehearing  
Conference in the above-referenced docket, please be  
advised that AT&T Communications of the Southern States,  
Inc. ("AT&T"), the Florida Interexchange Carriers  
Association ("FIXCA"), and MCI Telecommunications  
Corporation ("MCI") have agreed to stipulate Issue 10.  
The issue and the stipulation are as follows:

**ISSUE:** Should the same terms and  
conditions of expanded interconnection apply to  
AT&T as apply to other interconnectors?

**STIPULATION:** AT&T should be allowed to  
interconnect intrastate Special Access  
Arrangements to the same extent as other  
parties, subject to the requirements adopted by  
the FCC in CC Docket 91-141 regarding  
preexisting collocated facilities.

The foregoing stipulation was agreed to by Joe  
Gillan on behalf of FIXCA, Mickey Henry on behalf of MCI,  
and myself on behalf of AT&T. It is our understanding  
that no other parties have disputed this position and  
consequently the stipulation should be agreeable to all  
concerned.

Approval of this stipulation will permit FIXCA to  
withdraw the Direct Testimony of Joe Gillan and will
