Re: Docket No. 940001-EI

Dear Ms. Bayo:

This will confirm that the forms filed on June 27, 1994, for Florida Power Corporation's FPSC 423's are, in fact, for the month of April and not May as incorrectly identified on the Form 423-1 and 423-1(a). The information contained within the reports is for the month of April. Those documents were filed under Document Number 06389-94 for the Confidential filing and 06390-94 for the edited filing. As discussed with Ms. JoAnne Jackson of your office, it is our understanding that we need not file any amended reports and that this letter will serve as sufficient notice of the correction for the above forms.

Please acknowledge your receipt and filing of the above on the enclosed copy of this letter and return same to me.

Very truly yours,

James A. McGee
