ORDER AUTHORIZING FLORIDA PUBLIC UTILITIES COMPANY TO ISSUE AND SELL SHORT-TERM OBLIGATIONS IN AN AMOUNT NOT TO EXCEED \$15,000,000

BY THE COMMISSION:

1

On June 13, 1994, Florida Public Utilities Company (FPUC) filed an application with the Florida Public Service Commission seeking authorization to issue and sell short-term obligations in an amount not to exceed \$15,000,000 during the 24-month period ending August 8, 1996.

FPUC indicates that the financing obligations will bear interest at the London Interbank offered rates (LIBOR) plus 50 basis points.

According to FPUC, it intends to use the net proceeds from the issuances to finance estimated construction requirements for the next two years. FPUC's application was filed pursuant to Section 366.04, Florida Statutes, and in the manner and form prescribed in Chapter 25-8, Florida Administrative Code.

Having reviewed the application, it is the finding of this Commission that the issuance of the above-discussed obligations, within the limits described, will not impair FPUC's ability to perform its services as a public utility, are for lawful purposes within its corporate power, and that the application should be approved subject to the conditions hereinafter stated.
