ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

On July 21, 1994, Central Telephone Company of Florida (Centel) filed a proposed tariff extend and update Centrex service to Florida State University (FSU). Centel provides Centrex service to FSU under Section 24 of its General Customer Service Tariff (GCST). The current tariff has been in effect for approximately five years. The instant filing adds clarifying language, provides additional services, and updates rates. The proposed changes are scheduled to remain in effect for a six-year period pursuant to an agreement between Centel and FSU. The agreement provides that the tariff is not to be changed unless by mutual agreement of the parties or as a result of a Florida Public Service Commission action taken after the commencement date of approval.

Under the revised filing, FSU will subscribe to a minimum of 7200 digital access lines. The monthly charge for each access line will be \$12.44. Service areas, other than the main campus, that are not contiguous and require fewer than 75 access lines will be assessed an additional monthly charge of \$9.15. Innovation Park, which has fewer than 75 access lines, will not have the additional \$9.15 applied. This is consistent with the current agreement. This \$9.15 rate is consistent with Centel's GCST, Section 12, for Digital Centrex, identified as City Wide Service.

FPSC-RECORDS/REPORTING

The following system features previously offered separately are now included in the basic package and are included in the \$12.44 monthly access line charge: Modem Pooling, I/O Port, SMDI, Station Specific Authority, Enhanced Service Order, Query Busy Station.

The monthly rate for basic access trunk lines will increase from \$24.88 to \$37.32. Under the filing, FSU's monthly trunk charges are similar to trunk rates in Section 11 of the Company's GCST and Section 22, Local Telephone Service for the State of Florida Governmental Agencies. In support of the proposed rates, Centel states that the trunk rate should reflect a higher rate than a one party business line and be comparable to trunk rates in other sections of the tariff in order to remain competitive in the Private Branch Exchange (PBX) market.

Section 24.1.5 of the tariff clarifies that the company will provide training for new system features; and Section 24.4.1 provides that the company is responsible for all maintenance and repairs of the system, unless otherwise specified in the tariff.

Upon review of the tariff, it appears that the rates cover incremental costs. Accordingly, we find it appropriate to approve the rate changes and clarifying tariff language, effective on September 19, 1994.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that tariff filing to clarify and update Centrex services and rates for Florida State University filed by Central Telephone Company of Florida is approved as set forth in the body of this Order. It is further

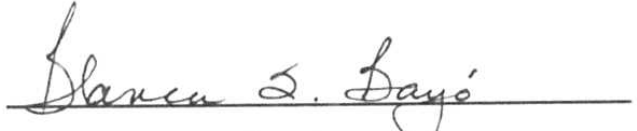

ORDERED that the tariff shall be effective September 19, 1994. It is further

ORDERED that if a protest is filed in accordance with the requirements set forth below, the tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. It is further

ORDERED that if no protest is filed in accordance with the requirements set forth below, this docket shall be closed.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on October 24, 1994.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

ORDER NO. PSC-94-1203-FOF-TL  
DOCKET NO. 940866-TL

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
