ORDER INDICATING EXEMPT STATUS OF
VOGEL UTILITIES AND CLOSING DOCKET

BY THE COMMISSION:

On July 21, 1994, Vogel Utilities (Vogel) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Vogel owns the water system and the office building it serves located at 1729 West Gulf to Lake Highway, Lecanto, Florida. Mr. Robert W. Vogel, owner and primary contact person, filed the application on behalf of Vogel.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon review of Vogel's application, it was determined that it does not qualify for exemption pursuant to Section 367.021 (12), Florida Statutes. It does, however, qualify for exemption pursuant to Section 367.022(5), Florida Statutes, which states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service.

On September 6, 1994, Vogel refiled its application requesting recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. According to the application, Vogel provides water service only to its tenants and the service territory is limited to 1729 West Gulf to Lake Highway, Lecanto, Florida. Also,

the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Vogel acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Vogel is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Vogel or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Vogel Utilities, 3697 North Holiday Drive, Crystal River, Florida 34428, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Vogel Utilities or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its exempt status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 3rd day of October, 1994.
