ORDER INDICATING EXEMPT STATUS OF
IORIO BUILDING AND CLOSING DOCKET

BY THE COMMISSION:

On August 18, 1994, Iorio Building (Iorio) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Iorio is an office building located at 5180 Southwest 60th Avenue, Ocala, Florida. Mr. Frank Tona, President/Owner and primary contact person, filed the application on behalf of Iorio.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Iorio provides water service only to its tenants and the service territory is limited to its building at 5180 Southwest 60th Avenue, Ocala, Florida. Also, the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Tona acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Iorio is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any

change in circumstances or method of operation, the owner of Iorio or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Iorio Building, Post Office Box 771104, Ocala, Florida 34477, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further
