ORDER APPROVING TARIFF

BY THE COMMISSION:

On October 25, 1994, GTE Florida Incorporated (GTEFL or the Company) filed a tariff to extend the Call Awards Certificates Program for residential customers only, until May 31, 1995. The Call Awards Certificates Program was approved by the Commission on an experimental basis, in Docket No. 931015-TL, Order No. PSC-94-0052-FOF-TL. The current promotion for this service will end January 1, 1995.

The Call Awards Certificates Program is a market test of new and enhanced calling packages for intraLATA toll service. Customers subscribing to these calling packages are awarded GTEFL Call Award Certificates.

The residential package is called "Suncoast Preferred Plan 1 with Bill Analysis." This service provides for reduced message toll charges on customer dialed station-to-station long-distance calls to locations outside of a subscriber's local calling area, but within the same LATA. For a fixed monthly rate of \$1.75 per month, customers placing such message toll calls receive a 20% discount on the total charges for all messages (in addition to the applicable time-of-day discounts available to all GTEFL customers).
