STAFF'S MOTION TO SUPPLEMENT THE RECORD

The staff of the Florida Public Service Commission (staff), pursuant to Rule 25-22.037, Florida Administrative Code, moves to supplement the record of the hearing held July 31, 1995, in this docket. In support thereof it is stated:

1. The staff seeks to supplement the record with the late-filed deposition Exhibit of Joseph Stanley, attached to this motion as "Attachment A".
2. This late-filed deposition exhibit was inadvertently omitted from staff's composite exhibit number 7, which was admitted into evidence without objection.
3. Several parties to this proceeding have proposed and/or endorsed reductions to the currently tariffed rates for private branch exchange (PBX) and direct inward dial (DID) trunk service offerings as the most appropriate method for implementing the \$25 million rate reduction at issue in this proceeding.
4. Attachment A provides information necessary to analyze and calculate the impact of reductions to the rates charged for PBX and DID service offerings.
5. The filing of this motion should not be interpreted as indicative of staff's recommendation on the issues identified for resolution in this proceeding. However, this information is necessary to provide the Commissioners with a complete record to consider in implementing the \$25 million rate reduction required by Order No. PSC-94-0172-FOF-TL.
