Re: Docket No. 960134-WS - Application of Spruce Creek South Utilities, Inc. for
Amendment of Water and Wastewater Certificates.

Dear Mr. and Mrs. Cunningham:

Thank you for your letter dated February 14, 1996. We asked Spruce Creek South Utilities, Inc., to provide the Commission with a letter clarifying the notice you received regarding the utility's proposed expansion of territory. Enclosed is the response. I hope that the clarification resolves your concern. Please direct any questions regarding maintenance of Spruce Creek's facilities to the Department of Environmental Protection at 407/894-7555.

Once you have reviewed the utility's response, the Commission will need to know whether or not you intend to protest the proposed expansion of territory. Would you please provide a written response by May 1, 1996 to:

The Director, Division of Records and Reporting
Florida Public Service Commission

Tallahassee, Florida 32399-0850

If you choose to protest the expansion, a hearing will be scheduled in which you must provide testimony or other evidence supporting your protest.
