Re: M.T.K. Investments - Marion County
Non-Jurisdictional Exemption
(Section 367.021(12) Florida Statutes)

To Whom It May Concern:

Enclosed please find the following information concerning our application for non-jurisdictional entities:

1. Original and three (3) copies of the signed exemption application
2. Four (4) copies of the site plan with location map

I have previously discussed this project with Mr. Travis Coker with your office. He has been very helpful in answering our questions concerning the latest application procedure.

As shown on the site plan, the proposed water system will serve future commercial business buildings and mini-warehouses for M.T.K. Investments in Marion County. There will be no charge for utility service.

The site plan shows the location of the proposed well and the location of the proposed septic tanks for the proposed sites.

We trust the P.S.C. will concur that this is an exempt project.

This project is also on a critical time schedule and we would appreciate your expeditious review. Please provide us with a docket number and a time schedule for your review as soon as possible.

If you have any questions or need additional information, please contact the undersigned.

Sincerely,
Michael W. Radcliffe Engineering, Inc.
