

The FLORIDA PUBLIC SERVICE COMMISSION announces a workshop in the following docket to which all persons are invited.

UNDOCKETED: Investigation into Inverted Rates

DATE AND TIME: 10:30 a.m., Monday, July 22, 1996

PLACE: Room 171E, Betty Easley Conference Center,
2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0250

PURPOSE: The purposes of this workshop are as follows:

- 1) To discuss the conservation effect of an inverted rate.
- 2) To discuss the potential for a residential inverted rate to give residential customers market power that is currently enjoyed by large-use customers.
- 3) To evaluate the potential elimination of the customer charge. Also, evaluate hook-up charges for seasonal residents.
- 4) To determine whether there should be a phase-in period for a sharply inverted rate / customer charge reduction or elimination.

ACK _____ 5) To develop a list of issues on residential inverted rates to be addressed at the August 12, 1996, Commission workshop.
