Re: Docket No. 960674-WS
Resolution of Board of Commissioners of Polk County declaring
Polk County subject to provisions of Chapter 367, F.S.

Dear Ms. Bayo:

We represent Poinciana Utilities Inc. (PUI).

PUI provides water and wastewater service to Osceola and Polk
County pursuant to FPSC Certificates Nos. 146-W and 103-S.

PUI was authorized to include Polk County in the service area
thereby certificated, by FPSC Order No. 24370 (April 15, 1991),
under the authority of Section 367.171(7), Florida Statutes, as a
utility system whose service transverses county boundaries.

Accordingly, the recent transfer of regulatory jurisdiction
from Polk County to the Florida Public Service Commission has no
effect on PUI's certification by the FPSC. Therefore, it is our
belief that there is no requirement for PUI to take any action with
regards to the above docket and Order No. PSC-96-0896-POF-WS.

An original and 15 copies of this letter is hereby submitted
for filing in the above docket.

Please acknowledge receipt of the foregoing by stamping the
enclosed extra copy of this letter and returning same to my
attention. Thank you for your assistance.

Sincerely,

Wayne L. Schiefelbein
