RE: Alturas Water Works/PSC Registration

To Whom It May Concern:

I represent Alturas Water Works, a privately owned potable water utility located entirely within Polk County, Florida. On May 14, 1996, the Board of County Commissioners of Polk County adopted a Resolution (photocopy attached), which transfers regulatory jurisdiction to the Florida Public Service Commission (PSC). Pursuant to Section 367.171, Florida Statutes, we are hereby submitting the registration on behalf of our client with the PSC.

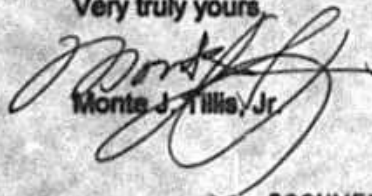

The information required for registration is as follows:

1. The full legal name of the utility is Alturas Water Works.
2. Its mailing address is: P. O. Box 257, Alturas, Florida 33830
3. A brief description of the service area is as follows:
A small portion of the Alturas Subdivision located in Section 16-30-26, Polk County, Florida.

4. Because of its size, the utility company was grandfather in by the county and did not come under the rate schedule set by the Board of County Commissioners. At present the water company serves 57 customers. A minimum charge of \$12.00 is charged for the first 4,000 gallons or less plus \$1.00 per gallon thereafter.

Don't hesitate to contact us if you have any questions or further information is required.

Very truly yours,

Monte J. Tillis, Jr.
