RE: DOCKET NO. 960614-TL - Resolution by Jackson County Board of Commissioners for countywide calling within Jackson County.

Issue 1: Recommendation that the Commission should deny the request by the Jackson County Board of Commissioners for countywide calling with Jackson County. Any requests for EAS or ECS filed after July 1, 1995, that are implemented become part of non-basic service. Since EAS or ECS requested after July 1, 1995, would become a non-basic service, the Commission is without jurisdiction to require the price-regulated LECs to implement EAS or ECS. Thus, whether to implement an EAS or ECS request is a decision for the price-regulated LEC rather than for the Commission.

APPROVED

Issue 2: Recommendation that, if no person whose substantial interests are affected files a protest within 21 days of the issuance date of the order from this recommendation, the order shall become final.
