RE: Docket No. 971078-TC  
Waiver of Rule 25-24.515(8), F.A.C.

Dear Ms. Bayo:

On Behalf of Peoples Telephone Company, Inc. d/b/a PTC, enclosed please find the original and five copies of our request for waiver of Rule 25-24.515(8), F.A.C. Which we ask that you file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

904-743-8361      Mc Donalds #2031  
6030 Fort Caroline Rd.  
Jacksonville, Florida 32247

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public.

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location provider for the location identified above has either joined in or agreed to this request

for waiver which is attached.

The Commission has previously granted waiver of this Rule in Order No. 97-0425, issued April 16, 1997, approving Peoples Telephone Company, Inc.'s petition for waiver of the rule for pay telephones located in Orlando. The owners had requested blocking of incoming calls to restrict the usefulness of the public phone for unlawful activity.

Please advise by Order if our request for the waiver has been accepted.

Waiver of Rule 25-24.515(8), F.A.C.**

Dear Ms. Bayo:

On Behalf of Peoples Telephone Company, Inc. d/b/a PTC, enclosed please find the original and five copies of our request for waiver of Rule 25-24.515(8), F.A.C. Which we ask that you file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

850-747-0932	EZ Serve #4008
850-747-0934	707 W 11th Street
850-747-0935	Panama City, Florida 32401

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public.

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location provider for the location identified above has either joined in or agreed to this request

Ms. Blanca S. Bayo  
August 15, 1997

for waiver which is attached.

The Commission has previously granted waiver of this Rule in Order No. 97-0425, issued April 16, 1997, approving Peoples Telephone Company, Inc.'s petition for waiver of the rule for pay telephones located in Orlando. The owners had requested blocking of incoming calls to restrict the usefulness of the public phone for unlawful activity.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Randel Carr  
Manager Regulatory Affairs
