DOCKET NO. 971005-EG - ADOPTION OF NUMERIC CONSERVATION GOALS BY FLORIDA POWER CORPORATION

DOCKET NO. 971006-EG - ADOPTION OF NUMERIC CONSERVATION GOALS BY GULF POWER COMPANY

DOCKET NO. 971007-EG - ADOPTION OF NUMERIC CONSERVATION GOALS BY TAMPA ELECTRIC COMPANY

ISSUED: November 14, 1997

NOTICE is hereby given pursuant to Rule 25-22.001, Florida Administrative Code, that the Staff of the Florida Public Service Commission will conduct a workshop in the above-referenced docketed matters at the following time and place:

10:00 a.m., Monday, December 1, 1997 Room 171, Betty Easley Conference Center 4075 Esplanade Way Tallahassee, Florida

#### **PURPOSE**

Attached is a list of Demand Side Management (DSM) measures staff proposes for evaluation by the investor-owned utilities in their respective DSM goals dockets. These measures were originally identified in the Synergic Resources Corporation's Report No. 777-R, "Electricity Conservation and Energy Efficiency in Florida: Technical, Economic and Achievable Results, Final Report" (the SRC Report). In Order No. PSC-93-1679-PCO-EG (issued November 19, 1993 in Docket Nos. 930548-EG, 930549-EG, 930550-EG and 930551-EG) the Commission categorized some of the measures under consideration in those dockets as potential utility programs (UP) measures. The UP DOCUMENT NOTICE TABLE

measures were evaluated by the four investor-owned utilities for cost-effectiveness in establishing the individual utility's goals. Staff has included in the attached list those UP measures which were evaluated by all utilities in their 1993 goals dockets.

This workshop will be an opportunity to discuss the list of measures and reach a consensus on the measures to be evaluated by the utilities. Staff requests that the parties be prepared to discuss a work schedule, following identification of the DSM measures to be evaluated. The parties will have an opportunity to file written comments following the workshop. After comments are recieved, Staff will issue a procedural order which will include the list of measures to be evaluated.

Any person with questions regarding this notice should contact Leslie J. Paugh at (850) 413-6199 or Mark Futrell at (850) 413-6692.

Any person requiring some accommodation at this workshop because of a physical impairment should call the Division of Records and Reporting at (850) 413-6770 at least five calendar days prior to the workshop. Any person who is hearing or speech impaired should contact the Florida Public Service Commission by using the Florida Relay Service, which can be reached at 1-800-955-8771 (TDD).

#### JURISDICTION

Jurisdiction is vested in this Commission pursuant to Chapter 366, Florida Statutes.

By DIRECTION of the Florida Public Service Commission, this 14th day of November, 1997.
