Re: Rainbow Springs Utilities L.C.
Notice of Application for Extension
of Service Area, Dated December 16, 1997

Dear Sir:

As property owners in the Woodland's section of Rainbow Springs in Marion County, we would like to voice our objection to the proposal of the above-mentioned notice received on or about December 22, 1997 and the time element of same.

The 30-days for written objections gives little time to respond considering the holidays. We, therefore, respectfully request that the Florida Public Service Commission delay any formal action in this matter until the property owners of the Woodlands have time to organize a plan to defeat the extension of service area as proposed by Rainbow Springs Utilities L.C.

We and other homeowners of the Woodlands have already spent thousands of dollars installing wells, septic and purification systems when building our homes, and changing this would necessitate additional expense putting a burden on each of us.
