Attn: Director of the Division of Records and Reporting

Reference: **Rainbow Springs Utilities application for extension of service area**
Sirs:

As property owners and taxpayers of Rainbow Springs Woodlands, we herewith register our **most strenuous objection** to the approval of the above referenced application.

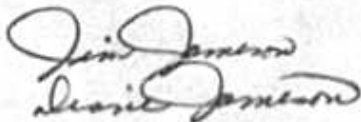

We, along with most property owners in this area, consider this to be a blatant grab for revenues by a private company wishing to finance their expansion on the backs of taxpayers who neither want nor need their product.

We urge you to reject this application, and trust you will act in the best interest of the people of Rainbow Springs.

Thank you in advance for your help and understanding.
