Notice of Application for Extension of Service Area
Date of Notice: Dec 16, 1997

Dear Sir,

We , among other home owners/property owners in the Woodlands Section of Rainbow Springs, Marion County object to the above referenced notice.

This notice was explained as a correction to the original application and the addition of undeveloped areas. The Woodlands Section was not intended to be a part of the original application, and need not now be added as we all have our individual water and sewer systems.

We have no objection to the addition of undeveloped areas, but do not desire the addition of our area which has been developed for many years.

We therefore request the Commission to delay , disapprove or reject the addition of this Section of the application.

Thank You,

Sincerely,

Calvin Earles
