Gentlemen:

Please be advised that we DO OBJECT to the
extension outlined in letter of Rainbow Springs
Utilities L.C. dated 12/16/97.

We are very pleased with our water situation
and expect it to remain as we were advised
when we purchased the property over fifteen
years ago.

We put in our own septic tank and well which conforms to
all regulations. The only reason the Utilities Plant
was built was so that Chase could get approval for
small lots not large enough for septic tanks.

Very truly yours,

c/c F. Marshall Detering
