Re: Docket No. 971481-WS - Petition of Mad Hatter Utility, Inc. in Pasco County for variance from Rule 25-30.036(3)(d), F.A.C., or, in the alternative, motion for extension of time.

Mr. Deterding:

We are in receipt of your letter dated February 5, 1998 in response to our request for additional information regarding the above referenced docket. While your letter addressed some of our concerns, you still have not provided us with information concerning the cost of the condemnation proceedings.

I have spoken to Marty Friedman of your law firm on two occasions to inform him that we have not received the cost information even though you indicated in your letter that you would provide the information by February 9, 1998. Mr. Friedman has indicated that he would provide the information by February 19, 1998. As of the date of this letter, we have not received the information.

We again inform you that the 90 days statutory time period to grant or deny the petition will commence after receipt of the last item of timely requested additional information unless you submit a written request to finish processing the petition pursuant to Sections 120.542(7) and (8), Florida Statutes.
