AT&T'S AMENDED Prehearing Statement

AT&T Communications of the Southern States, Inc. (hereinafter "AT&T"), pursuant to Rule 25-22.038, Florida Administrative Code, and Order No. PSC-98-0090-PCO-TP, filed its Prehearing Statement in the above referenced docket on February 20, 1998. In reviewing the filed copy two errors are apparent in AT&T's Prehearing Statement. AT&T accordingly submits its amended Prehearing Statement to notify parties of the following corrections.

1. The titles for the exhibits to Mr. Robert V. Falcone's were inadvertently omitted. The titles for the four exhibits are:

- Rebuttal RVF-1 - Letter from Sanders to Carrol
- Rebuttal RVF-2 - Loop and Switch Chart
- Rebuttal RVF-3 - BellSouth Collocation Handbook
- Rebuttal RVF-4 - Two Alternatives to Collocation

2. AT&T's position on Issue 5 was incorrectly stated. The corrected position is as follows:

ISSUE 5: If the answer to either part or both parts of Issue 4 is yes, how is the price(s) determined?

Position: The prices for UNE combinations are the cost-based UNE rates established by the Commission and as set forth in the AT&T/BellSouth Interconnection Agreement regardless of whether such combinations recreate a BellSouth service. There is no basis in the Interconnection Agreement, the Commission's orders, the 8th Circuit's decisions, or the Telecom Act of 1996 to suggest that the prices of combinations of UNEs could be priced at anything other than the cost-based UNE rates established by the Commission. See Issue 6.

3. AT&T regrets any confusion caused the errors in its Prehearing Statement.

Respectfully submitted this 24th day of February, 1998.
