Re: K.W. Resort Utilities Corporation; PSC Docket No. 970229-SU  
Limited Proceeding/Reuse Water Rate Increase  
Our File No. 20779.04

Dear Edith:

After the inquiry from the staff concerning the status of the proposed sale of the K.W. Resort system, I have contacted company personnel and determined that, in fact, a Contract for Sale has been entered into. I do not yet have a copy of this document, but will forward it onto the staff as soon as I obtain it. In the meantime, because the sale does appear to be moving forward, we still need to hold the case for establishing a reuse rate in abeyance pending the finalization of that sale. The Utility does wish to move forward with establishing that rate if the sale falls through. However, at present, it appears as though it will proceed to closing.

Based upon these facts, I request that the staff continue to hold that case in abeyance and provide two to three months additional time in which to report back to the staff if something does not occur before that time. I will, in the interim, get the Contract to you as soon as I have it.

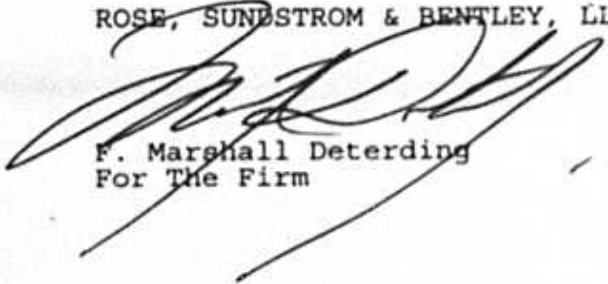

This is the best plan in the interest of finalizing this case to insure that the sale is to take place before closing this docket. At that time, the Utility will need to file an Application for Transfer.

Should any members of the staff have any questions or concerns with this proposed additional time, please let me know.

Sincerely,

ROSE, SUNDBSTROM & BENTLEY, LLP
